1 in 3 Fortune 500 companies offer pet insurance¹

Offering it may help:

- Improve culture
- Attract top talent
- Increase retention

More than just pet insurance

Virtual vet – Employees get direct access to a licensed veterinary professional via text or video chat—anytime, anywhere, within seconds

Artificial intelligence (AI) claims – powered by chat bot Evie, which brings experience to the claim-filing process

Inbox and docs – from medical notes to policy documents, keeping pet's records in one place is easier, with on-the-go access

Customized website – Figo also provides employers with a customized website that can help lighten the administrative load

Figo offers an industry-leading customer experience
